

Group Exercise Schedule

Somerset Hills YMCA-Mt. Airy

Created: 5/29/2017

Cards can be obtained at the Welcome Center 30 minutes prior to the start of class. If maximum number of participants is reached earlier, cards will be distributed then. Only one card will be handed out per person. Members cannot save cards for other members. Members cannot take a card and then leave the building.

Age requirement for group exercise classes is 13 years old.

CLASS DESCRIPTIONS

20/20/20

20 minutes of cardio, 20 minutes of strength and 20 minutes of core.\

And lots of fun!

ABSOLUTELY CORE

30 minute core class

AOA

Classes for the Active Older Adult that will incorporate exercise to enhance strength and balance.

BARBELL STRENGTH & CONDITIONING

this class will use Barbells, along with dumbbells and many other types of equipment to make you strong and fit while increasing your metabolism

BARRE

Students have taken Barre Basics techniques. This class provides a great work out using a ballet bar for strength and toning exercises.

BEGINNER SPIN®

Beginner level. Class taught on a stationary bike, utilizing cadence, resistance, and various cycling positions in this cardio pumping environment.

BOOTCAMP

CARDIO CIRCUIT TRAINING

CARDIO CIRCUITS

CARDIO DANCE

Cardio Dance is an aerobic dance workout with easy to follow choreography. This class will bring your heart rate and fun factor up to a 10! All you need to bring is your energy and a smile!

CARDIO INTERVAL

This class will use segments of cardio and strength training to get a full body workout in 60 minutes.

CARDIO KICKBOXING

Cardio Kickboxing - this class is a combination of cardio, boxing and martial arts providing a total body conditioning aimed to improve strength, aerobic fitness, speed, flexibility and balance.

CHAIR YOGA

Want to practice yoga but worry it's not possible for you? Try chair yoga! Chair yoga is perfect for people with balance issues, joint issues and or mobility restrictions. Stretch and strengthen safely in a welcoming environment

CORE TRAINING

Develop strength and stability in the body's core, which translates to more cycling power, improved balance & enhanced functional movement. This class will include: posture, breathing, mat and stability ball.

FLUID BODY SCULPT

FLUID BODY SCULPT

HIP HOP CARDIO DANCE

A cardio dance class that will use choreographed hip hop moves to get you moving and burn those calories all while you are having a great time!

INTENSE INTERVAL TRAINING

A high Intensity, total body workout designed to target all major muscle groups while keeping your heart rate elevated.

INTERVAL ROPE TRAINING

An Interval training class where battling ropes are the star. Alternate between cardio and strength training exercises to increase power, endurance and cardiovascular fitness, all while have a great time!

INTRO TO BARRE

This intro class will give the fundamentals of the barre program, and show you how to make your progression.

INTRO/BEGINNER SPIN®

This introduction to Spin class meets the first Saturday of the month at 11:00am.

Taught by a level 3 Spin Instructor.

You will learn bike set up, the basics of the spinning program, terminology and correct form.

You will also learn about the different rides in the Spinning program, and the benefits of spinning

LIVESTRONG® AT THE YMCA

LIVESTRONG participants only.

MIXED LEVEL YOGA

Links movement of postures with breath to increase strength, flexibility & balance. This fluid & movement intensive class links one pose to another with music.

OUTDOOR BOOTCAMP

A bootcamp class that has gone outside now that it is warming up! Using the grounds around the YMCA, the instructor utilizes everything she can to start your day off right. Come join us and see. The class meets outside the café.

OUTDOOR UFIT

Ufit - An intense workout of cardio & strength training; this class will get Ufit using kettle bells, dumbbells, jump ropes, med balls, the Bosu & more with a fresh approach to getting strong & lean.

This class will be held outside only weather permitting. If it is not outside it will be held in GX2.

PILATES

The gentle moves are geared toward strengthening the "core" muscles using the body's weight for resistance. Special attention is directed toward form, strength, stretching & balance.

PILATES-MIXED LEVEL

PIYO WARRIOR SCULPT

PiYo Warrior Sculpt - Engage your mind and BODY using sun salutations, plyometric hops and lunges, balance and strength poses, twisting and lengthening positions, and more. Bare feet and bodyweight is all that's required to help build strength, stamina, core strength and a stronger you.

POUND

Drum to the beat of the POUND class! And this exactly what you do! Using drumsticks to drum to the beat of great music to tone and strengthen your core, legs and butt.

POWER PUMP

A 60 minute, full body strength training workout that uses barbells, dumbbell and plates to work and develop the entire body. Each class is individually designed by the instructor to creatively combine their fitness expertise with knowledge of physiology for a powerfully effective high energy workout.

SENIOR YOGA

This gentle class is geared for older adults to create a peaceful state for the body and the mind. Combines floor exercises with some standing & balancing poses.

SPIN/ YOGA

30 m in Spin 30 min Yoga

SPIN®

Class taught on a stationary bike, utilizing cadence, resistance, and various cycling positions in this cardio pumping environment.

STEP INTERVAL

Intervals of high intensity step choreography and athletic movements combined with weighted exercises and abdominal work. This class is a complete work out.

T'AI CHI

An Ancient Chinese martial & healing art. Most obviously characterized by the slow motion manner in which it's choreographed movement patterns are carried out, T'ai Chi is more accurately defined by its attention to correct body alignment and structural detail. The efficient transfer of force reduces stress on both the body & the mind.

TOTAL BODY CONDITIONING

Total body conditioning, this class incorporates muscular endurance and cardio segments using your bodyweight and dumbbells. Taught by a master instructor!

TOTAL STRENGTH

TRX COMBOS

TRX COMBOS

Class hold up to 24 people, come and give it a try

TRX CORE

TRX/KETTLEBELL

TRX Kettlebell will be a fusion of TRX and Kettlebell moves.

Must have a working knowledge of TRX and Kettlebell.

TRX/SPIN FUSION

TRX/Spin Fusion

Is an interval class using Intervals of TRX and Spin. 2 Instructors, double the fun! and double the workout!.

TRX®

Suspension training body weight exercises. The class will be conducted in small groups, facilitated by a certified TRX® instructor, a 30 min. THIS CLASS IS FREE! (private training is available)

TWEEN YOGA

Tween Yoga - Yoga for kids 8-12 years old

VINYASA FLOW YOGA

This yoga class will connect movement with breath. Students will flow through yoga postures with great music. Increase strength & flexibility while calming the nervous system & relaxing the mind.

YOUTH FITNESS CLASSES

Youth fitness classes 45 minutes of cardio and body weight conditioning.

Tuesday 10-13

Wed 6-9

Thurs 10-13

ZUMBA®

Zumba® fuses hypnotic Latin rhythms and easy to follow moves to create a dynamic fitness program that will blow you away. Our goal is simple: We want you to love working out, and to get hooked.

For more information please contact Lisa Pensabene at 908 766 7898 x548.
