CLASS DESCRIPTIONS

AIKIDO \$

Aikido can be practiced by men, women, and children of all ages. Increased stamina, flexibility, and muscle development occur naturally as a result of training, but the techniques themselves

Member \$110 | Non-member \$175

ALL ABS

A great way to build muscle and flatten your abdomen, which can help alleviate back pain.

BARRE

Class uses the ballet barre drills working with your own body weight as resistance focusing on the thigh and seat muscles

CARDIO BOOT CAMP

Cardiovascular, Resistance Based exercises all in one class, great instructor, high energy music and an upbeat atmosphere. Invite a friend for a fun full body workout that will keep you coming back for more.

CARDIO BOOTCAMP

CARDIO/STRENGTH INTERVAL

A full body workout designed to strengthen both heart and body through intervals of strength and cardio training.

CHAIR YOGA

Chair yoga is a gentle form of **yoga** that is practiced sitting on a **chair**, or standing using a **chair** for support.

CORE TRAINING

Train your entire core area including abs and back muscles. Working these areas provides strength, stabilization, and improved posture.

FAMILY ZUMBA®

All ages are welcome, with or without kids. Bring yourself; bring your kids; bring your grandkids.

FUNCTIONAL FITNESS

By strength training, stretching, and balance exercises, you can slow down the aging process as well as perform your daily activities easier. Geared toward mature adults who are making health and fitness a top priority, everyone is welcome to join this class.

INTERVAL TRAINING

This resistance training class includes upper body, lower body, and core exercises, performed in a interval format.

INTERVAL WO

Combine interval workouts using the wellness center cardiovascular equipment

KICK-BOXING

Cardio kickboxing is a popular workout. Combo of dance and martial arts. Punch, kick, block your way through a fun, challenging cardiovascular workout.

MARTIAL ARTS

A mix of Martial Arts taught in a Group Exercise setting

MEDITATION MEET

A practice to increase awareness of the present moment, reduce stress, promote relaxation, and enhance personal and spiritual growth.

MIX IT UP

Fitness Class that incorporates multiple training techniques

MOVEMENT DISORDERS

A group exercise class designed to assist people with any movement disorder condition to with easy and progressive exercising.

OUTDOOR WALKING

Enjoy health benefits while walking outdoors in a very social environment. Class meets in the lobby. (Weather permitting)

PILATES

This mat-based class strengthens and tones muscles, improve postures, provides flexibility and balance, and unites body and mind. (All Levels)

POUND

The alternative group fitness format inspired by drumming

RUNNER'S CLUB

For those who love running, for those who want to start running, Somerville Runner's club is the club for you. We will meet once a week and will have different levels: walking, jogging, and running. Running is fun and will motivate you to push through your goals.

SENIOR CYCLE

STRENGTH INTERVAL

Work all your muscle groups using dumb-bells, bands, stability ball with burst of High Intensity training. This non-stop class will strengthen tone and will help improve cardiovascular.

TAICHI EASY

Tai Chi Easy™ is, as Harvard calls "meditation in motion". Tai Chi Easy™ practices slow movements and mindset of Tai Chi to manage stress levels, by creating a heightened sense of self awareness, mindfulness, empowerment and choice

TM WORKOUT

Build your lower body with this 30 minute interval tread mill workout

TOTAL CONDITIONING

Train your body to condition it to work easily and with lessened stress while performing your core, strength, balance, and flexibility exercises.

TRX

TRX suspension training uses body weight exercises to develop strength, balance, flexibility, and core stability.

VOLLEYBALL

No experience necessary. Come out and have fun playing volleyball in a non-threatening environment.

Y CYCLE**YOGA**

Yoga is a form of exercise that uses slow movements and stretching. It is good for increasing flexibility and balance. It is also good for relieving stress and relaxing.

YOGA FUSION

The best of Yoga, strength training, Pilates and cardio endurance all rolled up into one for a total body intense fat-burning, muscle toning, core-strengthening workout!

YOGALATES

This mat-based class is a fusion of yoga and Pilates that will strengthen the core while increasing flexibility.

YOUTH CARDIO

Youth Cardio equipment at fitness center class

YOUTH SELF DEFENSE

Learn a range of personal safety skills to take charge of the space around you

ZUMBA®

Zumba is the big dance fitness craze at the moment, created by Miami-based dancer and choreographer Beto Perez. Dance steps to Latin and international music are combined with aerobic exercises to tone your entire body in a dynamic, exciting, and effective fitness system.
