CLASS DESCRIPTIONS

AQUA ZUMBA®

Enjoy the dance moves of land Zumba in the water

ARTHRITIS

Level Low to Moderate; Gentle water workout designed to improve balance, flexibility and range of motion.

DEEP WATER TABATA

This high-intensity interval training format consists of 20 seconds of all-out, intense work followed by 10 seconds of moderate intensity. Effective for time-crunched members whose goals are weight loss and performance enhancement. Deep-water exercise is a great non impact fitness experience that includes full body movements. Aqua shoes are required for last 15 minutes. Hair will get wet.

JUST RUNNING

Strenuous class without belts. Weights are used.

SWIM INC.

W.E.T. WATER EXERCISE TOGETHER

Level Moderate to Intermediate; Less intense workout. Ideal for participants returning to exercise, rehab, pre- and post-natal, YMCA Active Older Adult Program.

WATER EXERCISE

Level Intermediate to Advanced
