

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Dear Neighbor,

Somerset County YMCA's commitment to strengthening the foundation of community begins with ensuring that everyone has the opportunity to grow in spirit, mind, and body. The Y provides individuals with a chance to realize their potential. It provides adults with opportunities to become healthier and feel connected. It encourages families to play and grow together. It also provides children with a safe and nurturing environment to develop their character.

Through generous donations from members and community organizations, we are able to support our neighbors with financial assistance. Our Annual Campaign supports the Y's Financial Assistance Program which in turn, provides qualifying adults, families and children with the opportunity to benefit from Y programs and services.

Enclosed is an application that will initiate a request for financial assistance. Please review the enclosed information, complete the application and return it to the Y's financial assistance contact, listed below, with the required supporting documentation. Once received, your request will be reviewed by our Financial Assistance Committee. The process takes approximately 3-4 weeks depending on the committee's schedule. Once a decision is made, you will be notified by email.

If you have any questions, we would be happy to assist you. Please feel free to contact the appropriate branch:
