YOUTH ENRICHMENT

CLASS NAME	CLASS DESCRIPTION	MIN. AGE	MAX. AGE	LOCATION	TIME	DURATION	DAY	MEMBER	COMMUNITY
YOUTH ENRICHMENT									
Art Class	Teaches the skills necessary to excel in various mediums, including painting, drawing, cartooning and more. A supply purchase will be required.	7	13	Room 1	10:00am 11:00am	45min 45min	Sa Sa	\$90 \$90	\$120 \$120
STEM – Silly Circuits	Explore the fun world of electronics with STEAM Works Studio. Students will learn about electronics while doing fun crafts. Add LED lights, motors, and sound to paper circuits like greeting cards and origami projects.	5	7	Room 2	5:30pm	60min	T	\$120	\$150
STEM – SCRATCH Games	Learn to create your own games, fun stories, and animations with STEAM Works Studios. Using SCRATCH's drag and drop programming, designed by MIT, students will use coding to create their very own masterpieces.	6	10	Room 2	5:30pm	60min	W	\$135	\$180
Intro to Cooking	Introduces children to the basics of cooking involving simple recipes. They'll have fun broadening their palate with smoothies, pasta, and more! Little chefs learn recipes and proper kitchen techniques.	6	9	Room 4	4:30pm	45min	F	\$60	\$90
Acting for Theater	Students will learn to sing, dance and act as they are introduced to scenes and songs from Broadway Musicals and more. Vocal skills, theater vocabulary, choreography and technique are learned and reinforced. This class is for any skill level and will be adapted to suit both the individual and group. Watch your child's confidence and speech skyrocket as they develop skills that they can use both in and outside of the classroom.	7	10	Gymnasium	4:30pm	60min	W	\$75	\$105

*Prices for classes are prorated per holiday schedules.
